## NOTICE:

The Uniontown Area School District in compliance with IDEA Regulations, will begin to destroy all Special Education files (any student having IEP records) for the 2010-2011 school year. All documents prior to the 2010-2011 school have already been purged. The School District will begin to destroy these records on June 1, 2017. Anyone wishing to pick up their school records will be permitted. Please obtain and complete a release form. These are available on the district website, [www.uasdraiders.org](http://www.uasdraiders.org). Once you have completed this form in its entirety, please contact the Special Education Department at 724-438-4501, ext. 1609. Your records will be released to you once all the paperwork is complete and your records are retrieved. Identification will be required when you pick up your documents.
