Donald M. Gmitter
School Police/Truancy Officer/
Homeless Liaison
Ext. 1611Ja

January 15, 2021

Dear UASD Community,

The new year has brought new hope in the efforts to stop the spread of Covid-19. The new data for January 8th – January 14th shows that the number of cases and positivity rate are decreasing in Fayette County from previous weeks. We are thoroughly prepared to properly re-open our buildings while still keeping our students and staff safe.

All buildings will re-open for in-person learning on Wednesday, January 20th. Parents still have the option of continuing with remote learning at home. Parents only need to notify their school secretary if their choice of in-person or remote learning has changed since we were last open in the fall. We would appreciate you notifying us with this information by noon on Tuesday. All federal and state health guidelines will continue to be followed including mandatory face coverings for all students at all times as well as all other policies set throughout the school year.

Reminder that on Monday, January 18th there is no school in observance of Dr. Martin Luther King Jr. Day. Tuesday, January 19th will be a remote learning day for all students with no live sessions. For attendance purposes students are to log on to Canvas and complete work assigned by teachers.

Only students who are choosing to remain remote will need to pick up their materials on Tuesday, January 19th. Your child's school will notify you for the specific pick up times for each building. Also, remote students who would like to continue picking up school meals will need to complete an order form ahead of time on the district website.

We are very much looking forward to seeing students again in our classrooms. We thank you for your patience and understanding during this transition back to in-person learning.

Sincerely,

Charles D. Machesky Ed.D.

Superintendent of Schools
