Dear UASD Community,

We continue to share the most up-to-date information with you as we monitor the community spread of COVID 19 to make informed decisions to protect the health and safety of our students and staff.

With high numbers of new cases being reported, Fayette county remains at the substantial level of community spread for the week of December 25th – December 31st. The incidence rate is 377.2 residents infected per 100,000 and the positivity rate is now 21.9%.

Therefore, to help mitigate the community spread, we will follow the Department of Education's recommendations and **all UASD students to remain remote from Monday, January 11th through Friday, January 15th.**

Additionally, calendar updates:

- **Monday, January 18th – No school in observance of Martin Luther King Jr. Day**
- **Tuesday, January 19th – Full remote learning day with NO LIVE sessions**

We must all work together at this difficult time in history to help our community stay healthy.

Sincerely,

Charles D. Machesky Ed.D.
Superintendent of Schools
