

The Canvas Parent app allows parents to monitor all of their children’s assignments from one location.

Step 1: Get the student’s pairing code:

- a. Login to your child’s Canvas account and click “Account” on the left hand side, then click “Settings”
- b. Then on the right hand side click “Pair with Observer”. This will give you a code to enter into the parent app.

Step 2: Download the Canvas Parent app on your mobile device.

Step 3: Open the app and click “Find School”, type “Uniontown Area Parent Login”

Step 4: Click “Create an Account”. Enter the needed information and your child’s pairing code.

Step 5: From here you will be able to:

- View and read announcements
- View assignments and quizzes index page
- View the calendar
- View personal inbox
- Send conversation messages to instructor and your student
- View the dashboard
- View and read discussions
- View grades, view assignment due dates and comments, and print grades
- View modules and see due dates and point values
