March 23, 2021

Dear Uniontown Area School District Families,

Uniontown Area School District will continue to support students during the challenges of the COVID-19 pandemic. The District is announcing plans to provide virtual summer learning to Kindergarten - 8th grade students in June of 2021. (Pending school board approval on April 12, 2021.)

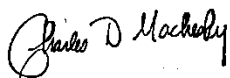

The program will be a free and voluntary program for students who were unable to meet requirements to be promoted to the next grade level during the 2020-2021 school year. Parents of students who are eligible for summer learning will be contacted after final report cards are issued. Please see the attached summary sheet for more details.

Parents are always able to monitor their child's progress through the CSIU student portal. (School secretaries can help parents with login information.)

Additionally, the last parent-teacher conferences are scheduled for the afternoon of April 1st. This is an opportunity for parents to discuss their child's progress this school year.

We hope that the District's efforts will afford students the opportunity to meet their fullest potential during these difficult times.

Sincerely,

Charles D. Machesky Ed.D.
Superintendent of Schools

UNIONTOWN AREA SCHOOL DISTRICT

Grades K-8 Summer Recovery 2020-2021 Summary Sheet
