Statement of Work

December 21, 2021

Statement of Purpose

Kesson Group Services Inc. (Skooli) and the University of Maryland, Baltimore County: Educational Talent Search (Institution) endeavor to work together to provide academic support to designated students of Institution (Users). Skooli will provide online tutoring services to Users. The Scope of Work outlines the scope of the program and associated fees for the tutoring platform and support services.

Service

Skooli will provide an online tutoring platform accessible by Users, who will have access to Skooli tutors with dedicated login credentials in a dynamic online tutoring classroom. Institution will pre-purchase user seats as outlined in the attached Sales Order. These seats will be added to the Institution Master Account and will be used to provision tutoring access on Skooli. Skooli will provide access to online tutoring functionality to Users as outlined below:

1. Provision of User accounts to each User by Institution on skooli.com under the Institution Master Account
2. Grant full access to the Skooli classroom for Users
3. Provision of web-based tutoring solution that requires no software installation on desktop
4. Provision of a dedicated Skooli account manager to provide on-going support for Institution, and their respective Users
5. Provision of 1:1 personalized support from vetted tutors in the online classroom in core subjects
6. Instant help and asynchronous essay review from network of online tutors in specified subjects
7. Provision of feedback and reporting on User usage monthly, if requested

Institution Requirements

In addition to the services provided by Skooli as outlined in the proposal, the following items will be required from the Institution to ensure a successful platform delivery.

1. **Project Lead:** Institution will appoint a member of staff as the project lead for the implementation and ongoing communication of the program. The Project Lead will act as the key point of contact between Skooli and Institution.
2. **Minor Consent:** Institution shall provide authorization in respect to the participation of all Users under the age of 13 in accordance with the *Children's Online Privacy Protection Act* ("COPPA") and shall provide such verifiable consent to Skooli if required by COPPA. Data on Skooli is only used for educational purposes only. Skooli does not use data for commercial purposes.
